RESTORATIVE CITIES

HOW TO DEAL WITH CONFLICTS IN A LESS VIOLENT WAY IN OUR SOCIETY?

Creating restorative cities through:

first of all

Raising public awareness about restorative justice

- respect for dignity
- responsibility
- justice

Train restorative personnel: facilitators

dealing with vulnerabilities

Identifying risks and challenges

4. Remember that there will always be conflicts, and we must learn from them

3. Voluntariness of the victim and of the offender

2. Identifying the focus of damage repair and its multiple solutions

1. Identify that there is a conflict and its tipology

after that

Encouraging responsibility and safety

For example, in a terrorism case, focus on repairing the damage:
-Personal
-Social
-Political
